Scoring System for the Course

Homework Assignments

- Each lesson is followed by a few exercises
- Homework assignments are due in **7** days after each lesson
- Submission through the course page

- The course assignments require to search in Internet
 - This is an important part of the learning process
 - Some exercises intentionally have no hints
- Learn to find solutions!
 - Software development includes everyday searching and learning
 - No excuses, just learn to study!
 - Developers learn new technologies, tools, languages every day!
